Tradition Number 6:

“An NA Group ought never endorse, finance or lend the NA name to any related facility or outside enterprise, lest problems of money, property or prestige divert us from our primary purpose.”

Just For Today, my thoughts will be on my recovery, living and enjoying life without the use of drugs.

Just For Today, I will have faith in someone in NA , who believes in me and wants to help me with my recovery.

Just For Today, I will have a program and try to follow it to the best of my ability.

Just For Today, through NA, I will try to get a better perspective on my life.

Just For Today, I will be unafraid, my thoughts will be on my new associations, people who are not using and who have found a new way of life, so long as I follow that way, I have nothing to fear.

NA is a nonprofit fellowship or society of men and women for whom drugs had become a major problem. We are recovering addicts who meet regularly to help each other stay clean. This is a program of complete abstinence from all drugs. There is only one requirement for membership, the desire to stop using. We suggest that you give yourself a break. Our program is a set of principles written so simply that we can follow them in our daily lives. The most important thing about them is that they work
